In addition to 1 to 1 subject tutoring, Study Skills, Writing, College Planning class for Parents and SAT / ACT prep classes we are offering weekly classes in reading and math for all grade levels throughout the summer.

There are 3 levels of classes offered, Foundations, Transition and Acceleration for both reading and math. Each weekly class is presented at an increasingly higher level of learning with different material covered as the summer progresses. The class is designed to, keep the student engaged in learning, build confidence and ensure that they start the year at or ahead of grade level.

----- **Example - Typical 5th to 9th grade 3hr Class Schedule for Math and Reading Summer Classes** -----

Foundations (setting a solid foundation for transition to the next grade)

- Week 1 : Math – 15 to 19 June, 10am to 1pm *(other times available)*
- Week 2: Reading – 22 to 26 June, 10am to 1pm *(other times available)*

Transition (introducing new concepts as prep for the next grade)

- Week 3: Math – 6 to 10 July, 10am to 1pm *(other times available)*
- Week 4: Reading– 13 to 17 July, 10am to 1pm *(other times available)*

Acceleration (getting a head start on the next grade)

- Week 5: Math – 20 to 24 July, 10am to 1pm *(other times available)*
- Week 6: Reading – 27 July to 31 July, 10am to 1pm *(other times available)*

Last Minute Tune Up (Get back in the groove for starting school)

- Week 7: Math – 3 to 7 Aug, 10am to 1pm *(other times available)*
- Week 8: Reading – 10 to 14 Aug, 10am to 1pm *(other times available)*

-- The example above is a 3hr/day class for 5th to 9th grade students, reference the table below for meeting times for 2hr classes. ---

Choose only 1 or more weeks: You may choose to attend multiple weeks to build a very strong foundation for the next grade through reinforcement with different and increasingly higher level material over the entire summer or choose just the week or weeks that best fit your student’s need and family schedule.
