

# SAT\* / ACT\* Prep Options

Version: July 16<sup>th</sup>, 2015

**ACT or SAT Boot Camp:** This is a 5hr, one day class that we offer to help the A-B (occasional C) student that is relatively solid academically get the best score possible on the ACT or SAT\*. We accomplish this by covering the key strategies needed to succeed when faced with the various types of critical reasoning questions that they will see on the test and by coaching them on how to avoid mistakes. This course is best completed within a couple of weeks of the test to ensure the strategies are fresh and the material we present will have the greatest impact.

The cost is \$180.00. For the next ACT or SAT\* Test, contact the Learning Center at 803-396-7950. The class size is limited so it will be important to register early.

Note: This can be an option for a student who is weak in one or more areas academically if they consider supplementing this course with individual tutoring in their weak areas before taking this course.

**ACT or SAT\* Comprehensive Prep Course:** This is a 21hr course that meets on Saturdays over 7 weeks for 3hrs in each class. This class is intended for the average student who needs practice with the test strategies and in taking the test. There is specific focus on the Language Arts, Math (and Science on the ACT) questions that they are having problems with in the practice tests. The class meets each Saturday and practice test homework is assigned in between sessions to be reviewed during class in order to build the students confidence in answering questions while addressing the fundamental gaps in their knowledge.

The cost is \$540.00. For the next ACT or SAT Test, contact the Learning Center at 803-396-7950. The class size is limited so it will be important to register early.

**Individual 1 to 1 ACT or SAT\* Prep Tutoring:** We offer individual private tutoring in ACT or SAT\* prep for Reading / Writing, Math (and Science on the ACT) to address specific gaps the student may have in 1 or more subjects. This is a good option if a student has scored high in some subjects and only needs to focus on a specific area or it can be used as a supplement to address broad academic gaps before attending the ACT or SAT Boot Camp.

Cost: \$60/hr, to be scheduled as you need it, and you may pay as you go with no further commitment.

---

**Other Service - Individual 1 to 1 Subject Tutoring:** We offer individual private tutoring in all subjects, across all grades to address specific academic gaps the student may have in 1 or more subjects. This is a good option if a student has struggled in one or more areas academically to maintain a C or B average and they wish to start prep by 1st working on foundational subject knowledge. It is important to have a strong academic foundation in order to gain the most from SAT prep tutoring.

Cost: \$48/hr, to be scheduled as you need it, and you may pay as you go with no further commitment.

**Note:** There is a discounted additional \$25 one time registration fee for the 1st session or class you schedule at NewFuture / NewPoint Learning. New student registration is normally \$75 but we are discounting it by \$50 to only \$25.
