Don't miss a College Deadline!

We are offering a 2 session, 4hr class to help parents navigate the College Planning Process. This class is designed to ensure you do not miss an opportunity for your student to attend the college of their choice and receive the financial assistance, grants and scholarships that will make college affordable.

A copy of "Countdown to College: 21 To Do Lists for High School" by Valerie Price and Cheryl Rilly, comes with the class and will be used as a guide. In the 1st 2hr session we review the college planning process and identify key checklists that apply to you in the book. You may then spend more time with the book on your own before attending the follow-up 2hr class session.

In the 2nd session we provide answers for the most frequently asked questions about the process and we will have time to discuss other questions you may have.

Cost: The total cost for this 2 session, 4hr class is just \$80 per participant and includes your personal copy of "Countdown to College: 21 To Do Lists for High School" by Valerie Price and Cheryl Rilly.
