

Parents, are you running out of steam?
Let the Kids have a Science Night
out!

Get recharged with a night out while your kids imaginations are powered up with a night of fun and science exploration!

OPEN Their Minds to the Future with a sampling of activities covering earth science, robotics, aerospace, art/music and more !! . . . and you can . . .

Enjoy strolling through Baxter Village, just having a relaxing dinner or perhaps listening to live music!

Friday June 30th 5:30 to 8:30

\$35 for ages 6 to 11

**Bring snack and/or drink if you wish*
