

# High School - Study Skills Class

ver 011518

936 Market St, Suite 101, Fort Mill, SC 29708

This class begins by having the students identify challenges that they have experienced related to, note taking, managing an increasing volume of homework, completing assignments in addition to general organization / planning. Emphasis is placed on helping students recognize the impact these challenges have on their success in high school and ultimately in college.

**Day 1:** We introduce strategies and techniques that can be used to meet the individual challenges identified in class. Activities are used to demonstrate the value of applying these strategies. There will be a homework assignment to, develop a Study Plan that they will be asked to commit to implement. They should share this with you after the class.

**Day 2:** We will review individual study plans in class, share best practices and then review additional strategies and techniques to enhance their study skills.

Students will leave the 2 day class with a plan that identifies challenges they have related to study skills and defines what they will do differently to address them. They will leave with the “S.O.A.R Study Skills” workbook to reinforce what they have learned along with a “NewFuture Quick Reference Study Skills” card to share with you and to help them keep key concepts of good study habits in mind throughout the school year.

**When:** This is a 6 hr, 2 day class that will meet the same day on consecutive weeks in 3 hour sessions.
